

# Malden 8 Presale Event!

**MALDEN 8**

**Date: December 4th | Time: 1-4PM | Refreshments Served**

Please join us for the Malden 8 presale event on December 4th from 1 to 4pm.

We've found the perfect location that reflects all the intensity of the neighborhood at **Malden 8**, our cutting-edge townhome development right in the heart of Capitol Hill. While Malden 8 is on a quiet tree-lined residential street of older homes, it has the clean lines and simple artistry of the Northwest's most celebrated modern architects and interior designers. And best of all, it is literally steps from a host of Seattle's best restaurants, bars, shopping, and galleries.
